My 37 years in the film and television industry has been an exciting and varied experience.

My name is Russell Frost, MEAA qualified Stunt Coordinator, Stunt rigger and Action Director; I look forward to the opportunity of being able to bring my skills and abilities to your Production. After working both locally and overseas on various productions as a stunt Coordinator and action Director, I am very capable, confident and excited about the challenges of choreographing, setting up and executing stunts for the film industry.

With current OH&S certification and vast stunt experience, I am able to bring exciting, new and effective stunts to the screen, while maintaining a safe work environment for all cast and crew.

Please feel free to contact me to discuss all aspects of the stunt action for your upcoming project,

Kind Regards,
