### Professional Summary

Dynamic and skilled stunt performer with 1.5 years of professional stunt experience and 15 years of Parkour expertise. Over the course of my career, I have worked on high-profile projects, including feature films, TV shows, and commercials. I have a proven track record in executing complex stunts, basic fight choreography, and physical performances. With 8 years of professional Parkour training, I bring a unique and highly versatile skill set to every project.
