

JORGE DELGADO

Stunt Actor Person (SAP)

PROFILE

Energetic and passionate, I am making a strong comeback into the stunt industry. I live by the philosophy that you're never too old and it's never too late. I stepped away from the industry for a few years due to work commitments, but I am now fully ready and motivated to return. I maintain a high level of training in acrobatics, weight training, and CrossFit, and I have been professionally graded since 2013.
